Residential Building Contractors shall be required to complete a minimum of six hours of continuing education annually by a board approved provider. The Residential Building Contractor shall maintain a copy of a certificate of completion for five years and make the certificate available to the board upon request. A contractor who holds a residential building contractor license and a valid, current license in the major classifications of building construction; highway, street and bridge construction; heavy construction; or municipal and public works construction, shall be exempt from this continuing education requirement.
