### Plumbing

#### Classification Description

Refers to the installation, maintenance and repair of potable and non-potable tap water and /or sewer water systems within a building structure or house.

**Plumbing (Restricted):** Issued to contractors who hold a plumbing restricted license with the State Plumbing Board of Louisiana. The restriction is a geographic restriction which allows the contractor to perform plumbing work only within certain parishes.

# Introduction

Applicants for the classification of Plumbing must submit a copy of their Master Plumber's License from the State Plumbing Board of Louisiana, along with a commercial contractor's license application requesting this classification. If the license from the State Plumbing Board of Louisiana is for Plumbing (Restricted), then our license will show the same restriction.

**PLEASE NOTE:** The grandfathering provisions of Act 725 do not apply to plumbers.
