Louisiana State Licensing Board for Contractors

The logo for the Louisiana State Licensing Board for Contractors (LSLBC) is a dark blue rounded rectangle containing the letters "LSLBC" in white, bold, sans-serif font.

Water Well Drilling

Classification Description:

Refers to the drilling of water wells for potable water systems and other water needs; Requires a license with the Department of Natural Resources

Applicants for the classification of **Water Well Drilling**, in lieu of a trade examination, must submit a copy of their Water Well Driller's License from the Louisiana Department of Natural Resources.

PLEASE NOTE: *Application packets for the Louisiana Department of Natural Resources' Water Well Driller's License may be obtained from:*

Mr. Rob Frischhertz
Geologist - Ground Water Resources
Louisiana Department of Natural Resources
Baton Rouge, LA 70817
