Louisiana State Licensing Board for Contractors

LSLBC

10 Mold Remediation

Requires twenty-four hours of board approved training in mold remediation and assessment and refers to removal, cleaning, sanitizing, demolition, or other treatment, including preventative measures, of mold contaminated materials not purposely grown at that location. A license is required when the value exceeds \$7,500.

A list of approved Mold Remediation Training Providers and the courses they offer is available at: <http://www.lslbc.louisiana.gov/mold-remediation-training-providers/> .
